## Leather Person of the Year - 2007 Nomination Form

### What is Leather Person of the Year?

Each year SLPA recognises the exceptional contribution of a member of the leather community to the leather or wider gay, lesbian, bisexual and transgender communities. This is a great opportunity to say "thank you" to someone who has worked to improve the lives of others. So if you are a current financial member of SLPA, take a few moments to nominate someone who you think has made an outstanding effort to better your community.

Leather Person of the Year is announced at Leather Pride Fair Day (indoors this year) and will be presented with a commemorative gift.

### Who can be nominated?

Anyone who is a resident of New South Wales or the Australian Capital Territory. They don't have to be a current member of SLPA. The nominee must be a suitable person to represent SLPA in the community and uphold the ideals of the Association. Current members of the Committee are excluded from accepting nominations.
